

AGM February 23rd 2004 6.30pm

CED and Associates: 8 Mason St . Cambridge MA 02138

Telephone 617. 876. 0001

Please RSVP to info@stephenstenson.com

Come meet other RIBA members, plan future events and elect the board members for the Chapter at our first AGM.

RIBA –USA New England chapter has rapidly risen to be one of the more vibrant overseas chapters for the Institute.

Our success is due to the enthusiasm and participation of our members. We have over 50 members in New England, mostly concentrated around the Boston Metro area. We have increased our membership over the year by 10% due to people moving to Boston, from the UK and discovering old members who had not updated their membership details at RIBA in London.

Visit <http://www.riba-usa.org> to see a list of our 2003 events including

- Our highly successful Lunch Party at the British Consulate.
- Several evening networking evenings
- Ran “ the Global Architect the Future of the profession in the Free Market Economy, and “Getting through the registration process” workshops at Build Boston.
- British Architects were panelists in several workshops, including RIBA members from London and California.
- Tour of the Gropius House
- Exhibited DiverseCity London / Diverse City Boston traveling exhibition at Build Boston and the Boston Society of Architects building.

For 2004 we need your input and ideas on events that interest you and that you would like to be involved with.

Some ideas so far are:

- Visits to more notable buildings such as the New Peabody Essex Museum in Salem.
- Running a workshop at the BSA or Build Boston on different working practices in the UK and the USA.
- A Family fun day in Rhode Island.

If you can not attend the AGM email Stephen Stenson info@stephenstenson.com with your ideas.
